ORGANIC VINEYARDS

March 2023

WE ARE:

100% ORGANIC

Neleman wines are certified organic.

VEGAN FRIENDLY

Neleman wines are certified vegan. We filter our wines with pea protein.

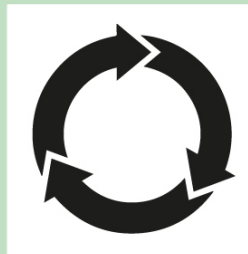

NO WATER WASTE

Our vineyards are not irrigated.

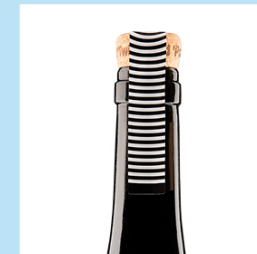

CO2 TRANSPARENT

We calculate our carbon footprint to help reduce our CO2 emissions.

CIRCULAR

We only use real cork. It's much better for the world because cork oaks are known for their capacity to reduce enormous amounts of CO2 and they play an important role in curbing forest fires.

GREENER PACKAGING

We have replaced all of our bottle seals with more sustainable options such as paper stickers and single layer aluminium foil instead of the standard triple layer: green cap, which can be recognized via the leaf symbol.

WORKING TOWARDS CO2 POSITIVE

We make wine to save the world and that also applies to our CO₂ emissions. We're transparent about it and communicate the outcome of the CO₂ emissions per product on the label of the bottle.

These CO₂ emissions are calculated on a detailed level by CarbonCloud. This way we know exactly the areas of improvement in our processes. From CO₂-negative and compensating to eventually become CO₂-positive. That is our challenge.

INTERNATIONAL WINE WRITERS ABOUT BOBAL ROBUSTA

“Old-vine Bobal. Vinified in concrete eggs and large French oak casks. Modern style. Expressive nose showing violets and well-ripened black fruits, together with noble oak, vanilla and cedar. On the palate, it has appealing acidity, firm tannins and generous intensity of flavours, displaying ripe plums in the background. Very controlled bitterness in the aftertaste. I can see great ageing potential here.”

– Jancis Robinson
17 points for vintage 2018

“It’s ripe and powerful, juicy and characterful, keeping varietal and Mediterranean characteristics. The palate is solid and seamless, with abundant, slightly dusty tannins and a dry, long finish. Very good Bobal!”

– Robert Parker
91 points for vintage 2018

“An impressively juicy and lively Bobal with dark-cherry aromas and flavors in abundance. The succulent palate has plenty of fresh dark-plum flavour. Drink or hold.”

– James Suckling
92 points for vintage 2017
